Miguel Lopes, Full Stack Developer

I have 8 years of experience building and designing software. Able to effectively self-manage independent projects, as well as collaborate in a team setting.

I love to work on web applications using technologies like Node, React, Tailwind, Next JS and GraphQL.

Employment History

Web Developer at Miggs Web & Co., Houston, Texas

March 2022 — Present

Worked to assess competing websites in regards to content, look, and feel.
